

## The Summit Monday Night Men's League

- 1. Introduction:** The Men's League will consist of 2 man teams on Monday nights starting May 9<sup>th</sup>, 2011. Tee times will begin at 5:00pm with two teams per tee time. The season will consist of 15 weeks concluding on August 29<sup>th</sup>, 2011. The first two weeks of league play will be a two week, Team Net tournament establish each player's handicap (see section 3). Handicaps will be adjusted on a weekly basis going forward and applied during match play during the season. There will be 10 weeks in the regular league play including one position round. The last three weeks will consist of a tournament with the top eight teams in a bracket format to determine the league Champion. The teams that don't make the tournament will play in the Consolation tournament. Standings, handicaps, weekly prize winners, etc will be emailed out weekly.
- 2. League Play Format:** Weekly league play will consist of two formats, alternating week to week. The first week of the regular season will be match play with both team members playing their own ball and adding their scores together for a team total. Starting with week 2 of the regular season, the format will be a team scramble. Both team members tee off and they choose which is the best position to both play their second shot from and so on. Team Handicaps will be applied in both formats, as explained in the next section. In each format 1 point is awarded per hole to the lowest net score. If the hole is tied then each team receives ½ point. Three points is awarded to the team with the low net total for nine holes. If teams tie for low net total then each team is rewarded 1 ½ points. Points will determine league standings throughout the year. The post season tournament formats will be all Match Play.
- 3. Team Handicaps:** Handicaps for each golfer will be established after the Pre Season two week Team Net tournament. *Individual* handicaps are established by taking the total strokes minus the total PAR and multiplying by 90%. (example: golfer A shoots 42 in week1 and 46 in week2. His handicap would be  $(42+46) - (36+36) = 16 * .90 = 14.4$  which would round to 14. If golfer A's partner's handicap is 11 then their *Team Handicap* would be 25. If Team B's handicap is 32 then Team B would receive 7 strokes, one per hole on the 7 toughest holes according to the score card's handicap ratings. Individual handicaps will be adjusted after each week's score for the following week's competition. Nothing higher than a Double Bogey should be recorded on an individual's score card for handicapping purposes.
- 4. Weekly Prizes:** Weekly skill competitions will consist of one hole with Closest to the Pin and one hole with Longest Putt. Weekly mystery skins hole will be drawn and high individual score wins for that hole.
- 5. Cost/Year End Prizes:** The league fees will be \$150 per person (\$300 per team) plus weekly greens fees of \$16 walking/\$21 with a cart. At the conclusion of the season prizes will be paid out to the top six teams according to the finish in the Post Season tournament. Prizes will be paid for the Consolation 1<sup>st</sup> and 2<sup>nd</sup> place teams as well. Prizes will also be paid out to the 1<sup>st</sup> and 2<sup>nd</sup> place teams in the 2 week Pre Season Team Net tournament. Prizes will also be paid to the best individual low and high Gross nine hole scores for the season and the best Individual low and high Net nine hole scores for the season (during match play weeks).
